

Allvin, Thomas

European Federation of Pharmaceutical Industries and Associations

Thomas Allvin is Executive Director for Strategy & Board Coordination; Health Systems Policy & Partnerships at the European Federation of Pharmaceutical Industries and Associations (EFPIA), where his responsibilities include overall strategic coordination and priority setting, support to the EFPIA Board and Executive Committee and leading EFPIA's work on policies for more sustainable, value-based and patient-centric health systems, including patient and stakeholder relations. Before joining EFPIA in 2015, Thomas was Health Counsellor at the Permanent Representation of Sweden to the European Union, representing Sweden in the Council working parties for public health and pharmaceuticals & medical devices, and previously worked in several positions in the Swedish Ministry of Health and the Swedish Parliament. Thomas is a member of the Office of Health Economics Board of Trustees.
