

Dietscher, Christina

Austrian Federal Ministry of Social Affairs, Health, Care and Consumer Protection

Christina Dietscher, a medical sociologist, worked for the WHO Collaborating Centre for Health Promotion in Hospitals and Health Services in Vienna, Austria, for more than 20 years. She specialized a.o. in Health Promoting Hospitals, organizational networks, and organizational health literacy. In 2015, she joined the Austrian Ministry of Health where she now heads the department of non-communicable diseases and mental health. A current work focus of the department is on the revision of the now ten-year-old Austrian Cancer Framework Program.
