

Gemen, Raymond

European Public Health Alliance

As Head of Policy, Raymond coordinates EPHA's policy work across its seven Policy Clusters spanning the entire public health policy spectrum. He also contributes to the development and execution of EPHA's organisational strategy and oversees the day-to-day operations of the Policy Department. Raymond holds a BSc degree in Biology and an MSc degree in Nutrition & Health. He has previous experience in science communication at EUFIC and science-based policy support at the European Commission Joint Research Centre.
