

Lehtinen-Jacks, Susanna

EASO Public Health Task Force

Susanna Lehtinen-Jacks works as a University Lecturer at the Unit of Health Sciences, Faculty of Social Sciences, Tampere University, Finland. Being a MD, PhD and Adjunct professor in epidemiology, she is an experienced lecturer and researcher in the field of childhood and adolescence obesity. She was a member in the working and expert groups of the National Obesity Programme 2012–2018 in Finland. Susanna has been a member in the Prevention and Public Health Task Force (PTF) of the European Association for the Study of Obesity (EASO) for several years, where one of her tasks has been to represent EASO in the EU Platform for action on diet, physical activity and health. At present, Susanna is a co-chair of the PTF, which as a network of European public health experts and epidemiologists aims to stimulate European research into effective obesity prevention strategies, serving the European Union, the WHO regional office for Europe and other professional organizations.
