

Neumeyer, Henriette

European Hospital and Healthcare Federation

Prof. Henriette Neumeyer (PhD, MBA) has served as Vice Chair of the Board of the German Hospital Federation since June 1, 2022, where she heads the Hospital Staff and Policy division. Following her medical studies and a subsequent MBA program, she worked as a consultant—primarily in the fields of medical technology and IT development—and as a professor of healthcare management at a university of applied sciences.
