## EHFG 2022 Take away messages

"Collaboration, importance of meeting in person, The start of a true European health union may have begun in Gastein!"

"Advancing European Health Union is a major step in keeping the trust of European citizens in the EU"

"Climate and health as key topics; health promotion as topic for the future; health workforce is central"

"One health and dignity"

"Only together and in partnership can we built a true European Health Union."

"Climate change discussion was brilliant, truly inspiring."

# Logistics

How do you rate Bad Hofgastein as a conference venue?

"First time in person and now I understand why everyone said it is not a standard conference. Thank you so much for the amazing organisation."

How do you rate the hybrid format of the conference?

Star rating: 1 = poor, 5 = excellent

Onsite

Online

"It might be worth considering shortening the sessions. Ninety minutes of sitting without interacting makes it hard to stay engaged."

"The hybrid version offers a good service, but networking is only possible when you are onsite."

How do you rate the networking opportunities at the EHFG 2022? (onsite)

Star rating: 1 = poor, 5 = excellent

"Being able to participate at the EHFG 2022 [onsite] gave me fresh energy for my daily work."
