

# YOUNG FORUM GASTEIN 2024

A network for promising young professionals  
working in the field of health

## What is Young Forum Gastein?

The Young Forum Gastein (YFG) serves as a unique network for young health professionals and experts. It offers exclusive opportunities to learn about current developments in Europe and to liaise with high-level experts in the field of health.

## YFG 2024 DATES

## ACTIVITIES

The scholars, also known as Young Gasteiners, play an active role in shaping the EHFG programme by undertaking tasks, such as:

-  Interview the EHFG speakers and panellists
-  Host discussions in the framework of the conference
-  Reporting from the EHFG sessions
-  Year-specific tasks tailored to the main theme of the conference

The YFG is about:

CROSS-  
SECTORAL  
LEARNING

NETWORKING

SKILLS-  
BUILDING
