HIV AND THE SDGS: JOINT ACTION, SHARED PROGRESS

Recommendations

- Year-long multi-stakeholder process focusing on long-term health and well-being of PLHIV
- Identified priority issues at two expert roundtables (December 2016; June 2017)
- Expert workshop to develop recommendations responding to these issues (September 2017)
- Launched at European Parliament event (29 November 2017)

Recommendations

1. Adopt an integrated, outcomes-focused, and patient-centred approach to long-term care
 - Put comorbidity prevention, treatment and management at the centre of long-term HIV care
 - Coordinate outcomes-focused care delivery using a personalised care plan
 - Integrate services for mental health and neurocognitive impairment
 - Ensure an ongoing focus on sexual and reproductive health
 - Increase systematic participation of PLHIV in decisions about their care

Recommendations

2. Expand national monitoring of long-term care and outcomes
3. Fund studies to provide information on the long-term health of people living with HIV
4. Combat stigma and discrimination within health systems
5. Upscale involvement of the HIV community in priority setting at country level
