Digital health means
the cultural
how disrupt
to an equal
relationship
decision
the democratization of care.

point of care
from hospital to patient

ation to the individual

o partnership

s to patients

from authority to guide

knowledge base
from ivory tower to social media

the good, the bad, the ugly

Your DNA Guide to Wines You'll Love

Take the guesswork out of buying wine. We analyze your DNA and taste preferences, then match you with hard-to-find wines selected for your unique palate. Shop for your bottles in our online store, or join our wine club. Either way, we deliver to your doorstep.

Vino + Genome = Vinome
