FACTS & FIGURES

TACKLING HEALTH INEQUALITIES

Greece is long committed to support equal access, integration & health promotion for ALL:

- AVAILABILITY
- ACCESSIBILITY
- ACCEPTABILITY
- AFFORDABILITY
- QUALITY OF ESSENTIAL HEALTH CARE SERVICES

Re-HEALTH PROGRAMME

An action co-funded by the European Union (EU), implemented by the International Organization for Migration (IOM) – Migration Health Division, with the aim to support EU Member States in improving healthcare provision for migrants and integrating them into national healthcare systems.

WE ALL HAVE A LEGAL BUT, MOST IMPORTANTLY A
MORAL OBLIGATION TO ASSIST THE REFUGEES.

WE ARE DETERMINED TO DO SO IN ORDER TO
ALLEVIATE THE HEALTH AND PSYCHOSOCIAL
PROBLEMS OF THOSE IN NEED.

THANK YOU VERY MUCH FOR YOUR ATTENTION!
