What is Young Forum Gastein?

NETWORKING | CROSS-SECTORAL LEARNING | SKILL-BUILDING

Young Forum Gastein (YFG) enables promising young health professionals to actively participate in the annual European Health Forum Gastein (EHFG) conference and become part of an inspiring network of professionals working in the public & private sector, civil society, and science & academia. Participation in the network introduces scholars to the EHFG community and the European public health scene in general.
